The best thing about Black Notice are the many white pages between the short chapters. My copy doesn't even have any contents or a blurb, just the author's picture covering the back, underlining that she's sold as a must to a certain group of people I guess.

Black Notice (Kay Scarpetta, #10) by Patricia Cornwell

This book picks right up from the previous installment, Black Notice, so I recommend that you read that one first. The first few chapters are a bit tedious as Kay Scarpetta goes through a lot of introspection from almost being murdered in Black Notice.

BLACK NOTICE is a fast-paced thriller, filled with nail-biting suspense and several interesting surprises. Taking Kay and Marino to Paris is a nice new touch, although some Scarpetta fans may find Kay's Paris romance happening a little too fast and may also wish that Marino's Benton-may-still-be-alive theory was taken a little further.
