Differences between private limited companies and public ...

This article that appeared in today's Stuff is instructive in regard to the situation faced by our Council, and points up the contrast between inundation, and coastal erosion - the two conditions are often confused, as suggested in my previous post. "As seas continues to rise, the cost to hold them back is growing. While New Zealand's coastal communities look to shore up their defences against ...

The political positions of Ron Paul (L-TX), United States presidential candidate in 1988, 2008, and 2012, are generally described as libertarian, but have also been labeled conservative and constitutionalist. Paul's nickname "Dr. No" reflects both his medical degree and his assertion that he will "never vote for legislation unless the proposed measure is expressly authorized by the Constitution".

Political positions of Ron Paul - Wikipedia

An Economic History of Australia by Edward Shann. PREFACE. THE following account of Australian economic development attempts, to keep in the forefront the private activities by which British settlers in Australia have transformed a prison-yard and hunting-ground of savages into a productive annexe to Europe and Asia, proud of using its labour-saving methods as means to general well-being.
