ESB - Wikipedia

Who We Are. Since ESB was established in 1927, it has always endeavoured to bring light and energy to the people it serves, allowing individuals and communities to fulfil their potential in every walk of life.

Homepage - Electricity Supply Board

History. The term "bitter" has been used in England to describe pale ale since the early 19th century. Although brewers used the term "pale ale", before the introduction of pump clips, customers in public houses would ask for "bitter" to differentiate it from mild ale; by the end of the 19th century, brewers had begun to use the term as well. During the 20th century, bitter became the most ...

Bitter (beer) - Wikipedia

ESB is a leading Irish utility focused on providing excellent customer service and maintaining our financial strength. We have a regulated asset base of approximately €9 billion with 43% of electricity generation capacity in the all-island market.

About ESB

An ESB for the modern enterprise. For companies looking to modernize and unlock the value of existing on-premises systems and applications, an enterprise service bus (ESB) architecture serves as a critical foundation layer for SOA.
