Non-critical (or pre-critical) reading is concerned with recognizing what a text says about the topic. The goal is to make sense of the presentation as a sequence of thoughts, to understand the information, ideas, and opinions stated within the text from sentence to sentence, paragraph to paragraph.

### **Teacher Tap: Electronic Books and Online Reading**

We rushed out to buy various sets of flashcards with the letters written clearly on them. A set sat in the bathroom at home and pre-school (potty time seemed to work well for us as a time to work with sounds).

### **Downs Side Up: Reading and Writing Tips for Children with ...**

At school, I loved maths/science and hated English. My writing was bad. I felt stupid because all the other kids used long words. Then a few years ago, a good friend of mine, who is a confidence coach, simply told me I was much better understood by others because I used plain and simple words.... none of these pompous long words.
