Narrative Means to Therapeutic Ends. Therapy then becomes a process of storying or restorying the lives and experiences of these people. In this way narrative comes to play a central role in therapy. Both authors share delightful examples of a storied therapy that privileges a person's lived experience, inviting a reflexive posture...

Narrative Means to Therapeutic Ends - Google Books

Narrative Means to Therapeutic Ends: A Book Review. In regard to family therapy—which has been our areas of special interest—the interpretive method, rather than proposing that some underlying structure or dysfunction in the family determines the behavior and interactions of family members, would propose that it is the meaning that members attribute to events that determines their behavior. (p.

Narrative Means to Therapeutic Ends / Edition 1. Use of letter-writing in family therapy. White and Epston base their therapy on the assumption that people experience problems when the stories of their lives, as they or others have invented them, do not sufficiently represent their lived experience.
