Pokemon Emerald (Prima Official Game Guide): Fletcher ...

This book is nearly useless. Instead of providing a walkthrough, where one typically can follow the steps and progress through the game, the editor chose to sort by location. This means that when you look up Meteor Falls you see something you may be able to do now as well as what you'll need to do in the same location later in the game.

Interestingly, in the Pokédex that the guide contains, the guide correctly states that Wurmple's evolutions are random on pages 120 and 121. On the same page, the guide states that Pokémon in "Egg Group 0" cannot produce eggs. However, the table contains many Pokémon that are genderless but can breed with Ditto.
