The Celts Origins Myths Inventions

The Celts (/ k ɛ l t s , s ɛ l t s /, see pronunciation of Celt for different usages) are an Indo-European ethnolinguistic group of Europe identified by their use of Celtic languages and cultural similarities. The history of pre-Celtic Europe and the exact relationship between ethnic, linguistic and cultural factors in the Celtic world remains uncertain and controversial.

Celts - Wikipedia

At Ancient Origins, we believe that one of the most important fields of knowledge we can pursue as human beings is our beginnings. And while some people may seem content with the story as it stands, our view is that there exists countless mysteries, scientific anomalies and surprising artifacts that have yet to be discovered and explained.
