Saving money, or the saving habit as Napoleon Hill put it so many years ago, is the foundation of all financial success, including investing. Having money saved is what provides the means for you to take advantage of situations, whether it's going back to college, starting a new business, or buying shares of stock when the market crashes.

When people retire, the money that people have in their RRSPs typically finds a new home. That home is called a Registered Retirement Income Fund or RRIF for short. When Canadians need to set up a regular income stream from their RRSPs, they have the option to use a Registered Retirement Income Fund or a Life Annuity.. RRIFs are by far the more popular option these days.
